I hired Shaky for a corporate event my company hosted at M&T Bank Stadium. Since our guests were coming from all over the country, my team wanted to have some kind of entertainment with “local flare.” They gave suggestions on everything from wine & beer tastings to “how to eat a crab” instruction. Then, I went to Camden Yards for a game and happened to be in Shaky’s section when the light bulb went off in my head: he was the remedy to my “local flare” conundrum!

Once he got started, we had corporate executives of all levels participating in his “show.” What a hoot! Everyone was talking about the “Lemonade Shaking Guy.” I even had one executive comment: “I even got a kick out of the “leprechaun vodka guy!”

We’ll be using his services again in the future.
