

The Residence
Hall Association

The George Washington University

April 1, 2014

To Whom It May Concern,

The GW Residence Hall Association hired Marc Rosenberg for our annual event, Martha's Marathon. The event is a fundraiser to raise money to help support our scholarship fund, which helps subsidize the cost of living for those who need assistance most. Marc ran our live auction portion with more energy and enthusiasm than we could have ever asked for. He was exciting and engaging and helped us surpass our fundraising goal. Marc was professional throughout the entire process and I would highly recommend him. Anyone who is looking for an exciting professional for any upcoming event, I would definitely recommend Marc Rosenberg.

Sincerely,
Marisa Mikrut
Director of Programming
The GW Residence Hall Association
